Here  s the official plot synopsis for Incarnations: "After a 13 year absence, Donna Troy has returned to life and the world of the DC multiverse, and specifically, to the solo hero sector. But this Donna Troy is different. She  s darker, wiser, stronger, and has taken on a new calling. She  s also a girl, and as such has become one of the most powerful beings in the universe. And the bad guys know it. And they  re after her." Although I am a big fan of the comic books I am not familiar with the full comic series. I did purchase the first trade of the series and finally decided to watch the full series. Can't say that I regret it, the movie was wonderful with a truly amazing performance by Jodie Whittaker as Donna Troy.
